We rented the Sweet Willows Creamery Ice Cream Truck for our wedding in mid July and it was awesome! Brent - the owner is so enthusiastic about ice cream that he helped us plan a well-rounded ice cream menu. He even created a custom flavor for us and it was delicious! Every flavor was incredible and our guests loved the sweet surprise. More parties and weddings should be graced by the presence of the Sweet Willows Creamery truck. It was truly a great experience and made our wedding unforgettable.
